Le Toy Van specialises in wooden toys that are made of rubberwood, an environmentally-friendly hardwood. For every tree used in the products, the brand pledges to plant another. The grand **Palace Wooden Doll House** is an impressive set piece for the ultimate playtime. *£400*

15

The whimsical children's furniture from Circu is handcrafted and tailored by Portuguese artisans. The **Bamboo Swing Sofa** makes for a luxe upgrade to your child's bedroom. The gentle swinging motion and plush velvet upholstery promise comfort and relaxation. A perfect spot for bedtime story sessions too. *Price available on request.*

16

ecoBirdy's furnishings use 100 percent ecothylene, which recycles plastic into a posh, vibrant building material. The functional yet stylish **Ocean Kiwi Container** is a worthy addition to any playroom. *€320*

17

Krochet Kids International seeks to empower vulnerable women in poverty stricken parts of the world, by paying competitive wages to improve their living situation. Each of their **Knitted Stuffed Animals** is hand crocheted in Uganda, and hand-signed by the female craftsman who made it. *US\$35*

18

Tuwi London's products use eco-friendly baby alpaca fibres from fair trade suppliers in Peru. The ultra-soft **Baby Blanket with Fruitful Trim** is ideal for keeping your baby warm and cosy in the cot or stroller. *£165*
